

FARM INFORMATION and LOCATION: Sunset Lake Organics, Loraine, IL located 22 miles north of Quincy, IL

START DATE: July 2018 (dates are negotiable)

TERMS and COMPENSATION: Full time hourly employees, 40+ hours per week. We will consider paying a monthly salary once you prove your abilities. Annual Compensation ranges from \$35,000 to \$50,000 ,depending on your demonstrated experience, which includes a stipend for insurance.

WORK REQUIREMENTS:

- All types of field work including tillage, cultivation, planting, harvest, field borders, etc. and water way management, etc.
- All aspects of baling hay.
- You will be required to learn the humus compost operation. We will provide training.
- Basics of machinery repair and building upkeep.
- All other things needed done on farms to keep them operating smoothly.
- You must be willing to stay at work until the daily tasks are completed and willing to work outside in all types of weather.
- Must be drug free.

MINIMUM REQUIREMENTS:

- Must be willing to relocate to our area.
- Valid driver' s license.
- Able to lift seed bags and tractor weights.
- Able to climb grain bins.
- At least 3 to 5 years hands on farm experience.

OTHER DESIRED SKILLS: The following skills would be a big plus in considering you for employment:

- CDL
- Back hoe and dozer experience
- Some knowledge of organic farming and organic soil enhancement
- Basic knowledge of Excel and all things related to organic farm record keeping.

OTHER INFORMATION: We are planning to retire in 10 years. This opportunity could lead to the full time, long term management of our farming and compost operations. There is room and possibilities for an organic vegetable operation if a husband and wife team would be interested. Sunset Lake Organics is a smoke free environment.
